A friend gave he and his brother a pirated copy of Microsoft Word and Microsoft Excel last year and it was downloaded onto their shared computer.

Purchased a near new automobile stereo speaker for one hundred fifteen (\$115) dollars from an acquaintance that he thought was stolen. Feels the speaker was worth two hundred (\$200) dollars and states the subject told him he got it at a flea market.

While reading the questions to be asked on the polygraph, he admitted he lied to the examiner during the pre test interview. He now advised that he had masturbated in his car while driving to Lake Erie on one (1) occasion, two (2) or three (3) years ago.

After reading all the questions to be asked during the polygraph examination to him, and getting his response, he was given the question sheet to read and review. He then admitted to masturbating at work in the restroom on one (1) occasion in 1999 or 2000.
